

## Funding from Community Sports Network enables local sports club to put on a spectacular event

Hoddesdon Swimming Club was awarded a grant of £1000 by Active East Herts CSN in February 2011 which enabled them to improve the technologies within their club. This important modernisation meant that their Open Meet in September was a great success.

Local swimmers were able to take part in a friendly licensed meet and start to gather their qualifying times which are now required if you want to compete in the Herts ASA County Championships which are held every year in March.

Medals were given out to the Top 6 in each event meaning that many of the swimmers went home with a medal and happy.

With the London 2012 Olympics just around the corner the ASA are supporting a programme to engage volunteers to help run events and officiate. A big thank you to all those who helped run the day to make it the triumph that it was.
