**HERTFORDSHIRE** swimming clubs can compete in the Hertfordshire ASA's Daplyn Trophy by entering teams of five swimmers who are under fourteen years of age.

Ten swimming clubs entered one or two teams who swam at The Venue, Borehamwood on 3<sup>rd</sup> December, 2011. Hoddesdon entered two girls teams and one boys team. Each swimmer can only swim one individual race, however, there are two relays one Medley and one Freestyle.

The Girls Hoddesdon A team was made up of Amy Millard, Kaitlyn Walsh, Becky Freestone, Georgie Pryor and Amy Godsave. The team won four of their individual 50m races: Kaitlyn 50 Backstroke in a time of 34:85; Becky 50 Breaststroke in a time of 39.44; Georgina 50 Butterfly in a time of 30.44; Amy 50 Freestyle in a time of 29.44.

Hoddesdon A Team also convincingly won both relays: Freestyle in a time of 2.01.13 and Medley in a time of 2.16.41.

The Girls Hoddesdon B team was made up of Phoebe Spicer, Eleanor Turpin, Amy Tridgell, Emma Longden and Cerys Edwards. The girls

put in some fine performances and the night was a great chance to experience the event. These girls who have a few more years left to experience this event, will hopefully follow in the footsteps of their peers and win the trophy one year.

The Boys Hoddesdon Team was made up of Oliver Perry, Max McCusker, Ben Hunt, Jack Freestone, and Ryan Brewster. The boys finished a respectable fourth place. Oliver finished in 4<sup>th</sup> place for the 100 Individual Medley in a time of 1.16.81; Max won the 50 Butterfly in a time of 32.44, Jack came 5<sup>th</sup> in the 50 Freestyle in a time of 33.40; the boys came 5<sup>th</sup> in the Freestyle Relay and 3<sup>rd</sup> in the Medley Relay.

Team Manager Martin Godsave said "The girls 'A' team performed brilliantly and really worked well as a team, a joy to watch. The girls 'B' team were also excellent with good swims from Emma and Phoebe, and again a brilliant team spirit shown throughout the night. The boys team performed very well, with excellent swims from Max and Oliver and the freestyle relay coming third".
